### Questions for Cinematographers

Can we see some of your wedding videos?

What is your style?

How many weddings have you filmed?

How do you work with the photographer?

How many events do you do in one day?

Are you the sole videographer or are there others that could possibly be doing our event?

Do you provide lapel mics to ensure proper sound?

Do you talk on film?

What are your packages?

Do you include an assistant?

How many DVD's are provided with the package? How much are extras outside of the package?

How do you handle the music for the wedding DVD?

What is your turnaround for getting the event's video to the client?

What is your backup plan in case of an emergency and you are unable to film the event?

How much is your deposit?

When is the final payment due?

What is your cancellation policy?

Do you offer discounts for off season or non-Saturday events?
