Questions for Floral Designers

Ask to look at their portfolio.

How much is your average bridal bouquet?

How long have you been doing weddings as a florist?

What do you consider to be your design style?

How many weddings or events do you take in a day?

Are you willing to put together a sample centerpiece? If so, is there a fee?

Do you rent vases or other items?

What is your cancellation policy?

What do you require for a deposit?

When is the final payment and final counts due? (for centerpieces, bouquets, corsages, boutonnieres)

What is the average charge for delivery/setup for the local area?

Do you pick up the rental items or do we return them to you? When do they need to be returned by?

Do you offer discounts for off season or non-Saturday events?
