### Questions for Rental Companies

How many different types of rental items do you offer? (chairs, tables, china, silverware, glassware, furniture)

What is the farthest you will travel for delivery, setup, and pick up of your items?

Do you charge extra for setup of all items or is it included in the price?

What are your delivery fees?

When is the final day that we can make changes to our rental agreement?

What do you require for a deposit to ensure availability of the items?

When is the final payment due?

Will you setup items and pick them up the same day?

Do you charge extra or less to have setup and pick up on a different day?

How long after an event do you give clients to return items if you do not handle pick up?
